Goal:

The board goal of the committee will be to generate awareness about the need of identifying and reporting of Adverse Drug Reactions (ADRs), amongst all sections of healthcare providers (Doctors, Nurses, Pharmacist, Post-Graduates and Under-Graduate students, service providers etc.) of Government General Hospital / Government Medical College, Nagarkurnool to identify the ADRs occurring in patients coming to the institute for treatment and report the same to the appropriate authorities.

Objectives:

1. To generate awareness about ADRs amongst health care providers and students of the institute, by different activities.

2. To identify ADRs occurring in the patient coming to the institute for treatment and to report the same to the appropriate authorities.
3. To carryout causality assessment of ADRs.
4. To undertake scientific and research activities pertaining to ADRs.
5. To take up activities to strength the ongoing National Pharmacovigilance Programme.

SCOPE OF THE COMMITTEE:

The committee shall meet once in 2-3 months. The committee shall be responsible for planning, implementing and monitoring of various activities of the Pharmacovigilance Programme of India (PVPI).

ROLES:

1. **Chairman & Coordinator:**

The Chairman/Coordinator will chair and conduct all the meetings and will function as Administrative Head of the Committee.

2. **Nodal Officer:**

The Nodal Officer shall be responsible for arranging meetings and conducting activities with the help of the Member Secretary.

3. **Member Secretary:**

The Member secretary will play the pivotal role and shall undertake the following activities to help the task of the Nodal Officer.

4. **Members:**

The members will primarily work as subject experts and will also do the sensitization of faculty, resident Doctors, Students in the area of ADRs. They will give suggestions for better and effective functioning of the Programme and shall work as facilities.

Role of Pharmacovigilance (Pv) Associate:

1. Pv Associate will be responsible for interacting with Doctors, Nurses, Pharmacists and other Health Care Professionals (HCP) for collecting and reporting ADRs.
2. They will also sensitize the HCPs and spread awareness regarding the importance of ADR reporting.
3. Development, maintenance and evaluation of the ADR records within the Organization.
4. The organizational dissemination and use of information obtained through this programme.
5. Presentation of important ADRs to the Committee.

Principal.

Government Medical College,
Nagarkurnool.
